### The Premises:

As previously reported.

Parlor in less salubrious area of the city, but inside is clean and tidy.

### The Lady:

Blonde size 8 about 5'8" pretty much as described on GFE website.

Pictures are good but don't show how pretty Heidi is.

### The Story:

Had a great time with Heidi, nice slow massage with her rubbing her boobs along my back a lot. Then on to my giving ear pussy a tongue lashing , and as commented in FR113967 she dies indeed wriggle about a lot during RO. But she certainly seemed to enjoy the experience. Time for Heidi to work on me, unfortunately we encountered a personnel problem on my part, which I won't go into here, but which meant that Heidi decided that it would be for the best if we didn't do oral without a condom, which I agreed to.

Even with the jacket her oral skills were exquisite and masterful and can be fully recommended.

Eventually, it is time to fuck, which we do in missionary and cowgirl, with my coming as Heidi bouncing up and down on me.

With the session over, Heidi says that because we used a condom during oral she only wants £55 rather than the normal price of £65, this is customer service at its best, and not every working girl would do this. On just this basis I would highly recommend Heidi, even without her superb sexual skills.
