The Premises:

As mentioned before parked, on the drive in very safe rural location, lovely clean and welcoming residence, excellent bathroom facilities.

The Lady:

Jan is tall slim lady with lovely pert breasts, late 40's and loves to dress up for her clients.

The Story:

Not seen Jan for quite sometime, but for no other reason than not been in the area and its 170 mile round trip otherwise, wish I was much closer.

I looked at Jan's latest pictures on her website and requested, that she dress in french maids outfit which she was wearing on my arrival.

Lots of hugs and kisses once the door was closed, I couldn't help but kiss her bottom on the way up the stairs and once in the bedroom, we got down to the serious business, if you need to know more, you will have to visit yourself, having said that Jan as brilliant oral skills and is such an interesting lady to chat with.
