### The Premises:

It is in a safe place less than 5 minutes walk from Golders Green Station. It is nice and clean with a nice clean bathroom. There was a roommate but I never saw her and she possibly was a working girl too.

Very little parking available so best take public transport.

### The Lady:

She is better looking than her pictures which was a shock because it has never happened before. She says she is 25 and frankly I have no reason to doubt her, possibly a couple of years older.

She has a magnificent body. She is attractive enough but the body is just fantastic.

### The Story:

She does not do a lot of things but her profile was clear on it. So no unpleasant surprises there.

I requested a particular dress and she gladly obliged.

The sex was very good and she is very tight (and I am on the smaller side).

She was nice and though she does not provide what I consider a gfe I think she is a very good punt.
