### The Premises:

It is a basement flat (entered by a side door) on a quiet street. The apartment had a bad odour and the atmosphere was stuffy. The bedroom was a mess and the bathroom was simply disgusting.

### The Lady:

Magnificent body, simply delightful to look at. Says she is 25 but looks 35. She was smelled as if she just woke up (not in a nice way) and her breath was rank.

### The Story:

I should have left the minute I entered the apartment. This was a disaster beyond description. She was in a bad mood and so she did not want me to touch her anywhere. No kissing not even on her cheek.

When I wanted sex, doggy style was the only option on the table.

I could not orgasm and I left in 25 minutes.

I have had bad punts before but this was shocking. I called the group number and complained and all I got was "we will investigate".
