### The Story:

Soraya is a nice girl, very similar to her pictures (which are airbrushed to remove identifying features), but not really engaged in her work. I'm sure she'll make someone a nice girlfriend, but her on-the-job GFE is not very convincing as she doesn't do kissing with clients, which her profile specifically says that she does. A GFE shouldn't really include chewing gum throughout which she did - that's more the cheap New York hooker experience which I don't think anyone looking for a GFE really wants. She is also very twitchy which may be inexperience. All in all although she is quite sexy and very pleasant, all this constituted a huge turn off and if I thought - we she'll make up for it with the OWO - then I was wrong - for despite her profile on Annabelle's she doesn't do OWO (and says that she never has).

So all in all not what it says on the box and maybe this isn't the job for Soraya.
