The Premises:

A new addition to Victoria House is the domination room, previously the wet room.

I decided to give it a try.

Its probably not the best equipped Dungeon in the world but it has one or two interesting features, including a small understairs cell, a fine selction of canes, whips,and paddles , and a few places for bondage, one including an interesting clamp.

The Lady:

Well Taylor is beautiful and certainly does not look her age - she wants to retire next year - what a waste that would be:-{.

A lovely figure, beautiful scottish accent, VH uniform, and looking so sexy. I have seen her before for a vanilla session, and she was great for that.

As a dom she was superb, I think the older more experieced lady does Dom better than young ladies and Taylor is no exception.

The Story:

After showering I was escorted by the receptionist to the dungeon.

I waited for Mistress Taylor to arrive. She came into the dungeon, quickly understood what I wanted and switched into the role very well.

Mistress Taylor was very dominant to me and quickly moved from one punishment to the other, including spanking (maybe 60 with various implements), anal penetration with a dildo, bondage, foot worship.

She allowed me to perform oral sex on her, before asking me what I would like to do to her. She refused my request for sex, but allowed me to rim her beautiful ass.

The session finished with me on my back, receiving a good "golden shower" over my face.

Only regret - should have had a 1 hour session, with some time in the cell.

If you fancy dom - give her a go, i think she was quite strict with me but i beleive she could be great for a beginner,
