The Premises:

Clean and safe but no parking, small room but adequate for the purpose.

The Lady:

The photos are very flattering but she is very attractive, neither German nor Australian. May be a descendant of both these things but never got into that. I would say she is mid to late 20's and she is average build, nice breasts. approximately 5'5" - 5'7" tall and clean.

The Story:

She is very talkative and this is relaxing, asked for a cigarette before starting but set an alarm for 45 mins not an hour, bit cheeky not worth an argument though. The service she gives is good and not without energy, there is a set of rules given to you before she starts not sure what the outcome would be if you said you did not agree but to be fair they seemed reasonable. She is not around for long apparently, she may respond accordingly if you were more argumentative over times, services etc but I cant be bothered with that type of thing, I got oral and sex in the time and this was all I was really after.
