The Premises:

Old Annabellas and very nice inside but the shower needs serious attention. Either doesn't work or runs cold and it sprays everywhere uncontrollably, soaking hair.

The Lady:

Beautiful almost elfin petite blonde who very closely matches her photos.

The Story:

A very relaxing and pleasant massage with a very happy ending. Faye has the most gorgeous figure which it isn't always easy to view in this establishment but that somehow adds to the allure and anticipation. The only change I would make, would be to have her wear her photo heels so that her derriere would look even more peachy.

I hope Annabellas try to poach her from HoD so that I can sample her wares a little more intimately - Faye has some very erotic HoD reports.

Highly recommended.
