The Story:

Have visited girls before in the Dagenham area and was extremely pleased to find this stunning English girl, so rare to find a girl you can actually have a sensible conversation with and have such a sexy body as well, i paid for the hour with summer, and we chatted for a while while she massaged me, summer was naked and was always rubbing her tits all over me, summer offers all the services and there is nothing i enjoy more than an uncovered blow job, lots of eye contact and extremely horny, summer is not the type to lay on her back, so i let her get on top of me and fuck me while i played with her tits, all in all a very enjoyable experience, and i will be a regular
