### The Premises:

Well known parlour in Walkden. Reasonably discrete. Both the area and the premises are a bit tacky.

### The Lady:

Small and thin and with the dessicated look of a heavy smoker. The website describes her as 18 years old but even with a large pinch of salt this is laughable.

### The Story:

I had settled on TJ's from a choice of several parlours in the area, as I had read the description of Juicy Lucy, who sounded interesting from her blurb (no photo) but she was not around. Lisa and Darcy were both busy so after some wise hesitation I decided to give Britney a try. I wish I hadn't as the experience was thoroughly dispiriting and has actually put me off further visits to this place after being a regular for several years. I don't want to malign someone who is trying to make a living in what must be a difficult profession but really I don't think Britney is right for this job, showing no instinct or enthusiasm nor projecting any sexiness. One immediate downer was that she insists on covered oral whereas nearly all the other girls here will give OWO. Fair enough if that is her preference but the parlour would be more honest if they pointed this out up front. Once it was clear that it wasn't going to happen for me that day she was away like a shot, glad no doubt to have got another punter out of the way and a few more pounds in the purse.
