The Premises:

Close to sea front and Grand Pier end of town, busy area, felt safe, plenty of paid car parking. Nice flat, clean and shower facilities available.

The Lady:

A larger lady 18+ about 5' 5" white, long black hair, and very pretty, says 36 I suspect a little older but not much.

The Story:

Short notice booking, (within 1hr) sounded very nice on the phone, gave detailed instructions on how to find her.

Met with a big smile, hug and kiss, shown into the bedroom and asked if everything looked ok, I was more than happy so paperwork out the way and on with the business.

Declined the offer of a massage and started with some cuddling leading onto oral both ways and sex in a couple of positions, a wonderful girlfriend experience, open and honest, felt I had known her for years.

She's a larger lady with soft skin and the most amazing nipples that she loves being played with, very willing to please and not a clock watcher, one of those rare unrushed meets.10/10

Had a week to cool off but I know I want to see this lady again.
