The Story:

I'm not one to do this kinda thing but coming up to Christmas in my line of work I have little social life so I just needed a release (Kinda sad I need a release at 21 haha) I was not expecting much but wow.. just wow. When she walked in I never thought she would look that amazing, out of respect I won't go into details of what we did but I have never finished so quickly, her technique is 11/10, soon as I have another day off when she is working I'll be back for sure! Thanks Gabby! xx
