The Story:

One of my best experiences ever. It is really amazing that Lauren is so genuinely living the action. She is best-in-class. She's very willing to please and very exciting. We had role play, 69, WS, and sex and I had such a great time. It was her birthday: I don't know what age she is but she looks very young and she has such a nice body and cute face. On top, she has such a pleasant personality. I will be back soon.
