The Premises:

A few minutes away from the tube, simple directions. I think I was expecting more of a dungeon setting, but I was pleasantly surprised to find it more domestic. Neatly turned out little flat. I was offered a hot shower and a tray of toiletries.

The Lady:

Miss Rose is rather beautiful, a slim and statuesque brunette with the longest legs I've ever seen. Surprisingly sure of herself for one so young, but very sweet and accommodating.

The Story:

I was interested in some worship and humiliation, and it was very expertly delivered. I enjoyed lavishing attention on her feet and lovely legs, and being allowed, as a treat for my good behaviour, to kiss her bottom afterwards. I was surprised at how well she managed to incorporate my desire for hand relief into the roleplay and make it become part and parcel of the humiliation. An addictive woman, if I ever met one. I'd advise treating her well, but it hardly needs saying. You won't be able to do otherwise.
