### The Premises:

Very decent apartment to the north of Oxford Street - usual door buzzer to enter. Nice clean bathroom and room.

### The Lady:

Very much like her pictures - great ass, big boobs and a lovely face.

### The Story:

Wow - Another asian stunner. Vicky is a great lady - new to the job but clearly experienced. She also speaks good english.

Started with excellent massage and a FABULOUS blow-job which although it didn't go deep certainly provided far more drooly licking and ball sucking than usual. Great stuff.

On to the fucking and she got on top and not so much pleased me as pleased herself while I pinched her nipples. Ended up in a tight missionary that was too much to take for long.

Didn't test her anal skills as she's new and I'm "not small" but maybe another time.
