The Premises:

Next door to a place I recently visited Sylvia from 007, easy to find although not that discreet when busy due to being next to restaurants and a dry cleaners. nice clean and tidy flat with a nice large bedroom.

The Lady:

Carmen is a cutie no doubt a little touched up in the photos but very much like her video on the site. Petite, slim, good looking, very nice bum and a great pair of tits, very responsive.

The Story:

Great lady, assisted shower which until very recently had never actually had, very sexy lady, oral although she needs a little practice but still OW, plenty of DFK, DATY was great, really nice pussy and extremely responsive and a little bit of a screamer if you hit the right spot, nice and tight with her on top, and a nice tight arse, with anal on offer and taken. finished with a nice massage and chin wag, nice girl with a good attitude would recommend.
