The Lady:

Wow! Kaz claims she is 47 -she looks amazing!. About size 10. Slim with ample curves in the right places. Beautiful natural breasts legs and amazing arse. Very pretty girl next door looks with beautiful brown eyes. Kaz has some favourable reviews on the other website. The pictures could never do her justice

The Story:

Kaz is sweet natured friendly chatty, cooperative and we had sex in a couple of positions and a 69 where I enjoyed tonguing her lovely tight pussy and bum hole before coming big style in her lovely mouth -everything protected.

So with all these superlatives why wouldn't I return? ..well Kaz has been doing this for more than 20 years - about the time I started punting. Review sites like this one have markedly improved the quality of the experience in that time. There was just too much of a dated feel to this experience. i.e. No kissing or affection of any kind, straight into action with furious wanking but little chat, no shower offered. It just all felt a bit rushed and mechanical.

Still where would you find a better looking mature woman for £50? ..I dunno.
