The Premises:

Back of shops along Derby Rd, very welcoming with a great choice of ladies available.

The Lady:

Short dark hair, mischievous smile, large boobs, good figure and a really pert sexy bum.

The Story:

Started with a sensual massage that was very relaxing, lots of attention given to my balls and shaft which was highly arousing, it took a lot of effort not to go off too early.

I opted for covered oral as I had heard good reports on Katie's prowess and I wasn't disappointed, from the moment she cupped my balls and gently slid my cock into her mouth I felt transported from this world.

She skilfully kept up the excitement whilst not rushing things and soon had me howling like a wolf whilst gripping the edge of the bench in a frenzied attempt to hold back for as long as possible.

Highly recommended, but not for the faint hearted.
