The Premises:

Ground floor flat in big Victorian house just outside Beckenham town centre. Quite a busy road, but entrance well back from road so sufficient privacy. Very nicely appointed flat, didn't elect to use shower so don't know if available. Generally a nice place to be.

The Lady:

Attractive Thai, mid-twenties. Slim, normal height for a Thai girl, may be a bit taller than most, but being well over 6' myself it can be difficult to tell! Lovely pale brown, smooth skin and cute bum. Very pleasant and attentive. English pretty good, but proved to be a bit of a barrier on the odd occasion. I get the impression she may move on soon, but that's often the way.

The Story:

Well, I couldn't have asked for a better way to spend half an hour. She was lovely, kissing from the outset and really got into the sex. Very genuine and caring, and could have spent hours with her - but unfortunately would have missed a rather important meeting...damn... Oral without was extra, so just went with OW as a bit short of cash. I also got the impression the whole set up there was pretty well sorted for service, so may well be back.
