The Premises:

Sophie has a great flat in Maidenhead, it is very discreet and safe. Parking was in a very safe street near by - 2 minute walk.

The Lady:

Sophie is an elegant lady in her 50s although she looks a lot younger. She dresses as a lady should and the photos on the website do not do her full justice. She is very well spoken and a great personality.

The Story:

I arrived and parked and Sophie called me, as arranged, to give me directions to her flat I arrived and was greeted at the door by delectable Sophie dressed in a blouse, skirt, stockings and wearing stilettos. We sat and talked and settled financial matters then retired to the bedroom. We started with me lying on the bed and Sophie driving me mad by teasing my cock with her sensuous fingers. She then applied her lovely lips to my cock. Being a gentleman I had to reciprocate so we went for 69, licking her shaven pussy was fantastic. I then indulged myself by applying my tongue to her pussy, then she obliged and sat on my cock and rode it while I licked her fantastic nipples.

When I recovered, aided by Sophie playing with my cock I climaxed again this time on her lovely tits.

I would recommend Sophie to the mature discerning gent who needs to be indulged.
