The Story:

Got horrendously lost the way but managed to find Leah's address. On opening the door I realised I knew her and her family by sight which was a little embarrassing but after all the trouble getting there I was in the mood for a punt although it was little awkward.

Leah is not like your normal WG, my experience was a very passionate one with lots of kissing, it was really more like having a one night stand than a punt. I would recommend her highly and may go back for an hour next time
