### The Premises:

Nice. Clean. Good parking outside

### The Lady:

Kate is an absolute milf. To be frank, she looked older than 38 but still very sexy and pleasant on the eye :) Very good physique and pretty face. Kate greeted me with a peck on the cheek and a smile.

### The Story:

Bit the bullet and took a chance with Kate, and I'm glad I did :)

The massage itself was very good, she has got a proper massage qualification and this shows through her technique. She was nude from the start

The sensual aspect was also very good, loads of CC swipes and "reach unders" while I was on my front. The B2B was excellent - she got onto the massage table and slid over me properly, while nuzzling and breathing into my ear, very raunchy Wink

After flipping over, it got even more steamy. More B2B on the front. She straddled my waist and did that thing where she slides her pussy lips along my shaft - (not penetration but feels amazing)

The finish was expertly executed as well - loads of eye contact, and dirty talk while allowing me to play with her bits, including some fingering as well.

£85 for an hour inc B2B, had an excellent experience - far surpassed by expectations. Grin
