The Story:

I'd seen Jolene at South Ken a few weeks before, so this was my second time, hence the long duration. Our first time together went way too fast as we clicked, so decided on a longer booking.

Although I'd brought something to drink, I didn't need it as I was immediately put at ease. We exchanged paperwork and caught up for a bit and then I had a quick shower. I came back to the room and Jo was waiting for me, looking a delight in her new outfit and heels.

This was more of a GFE, which is what I wanted but I know the boundaries could be pushed with her and that's something I'm keen to do next time we meet.

Jo seems keen on a bit of role play but we didn't get to that. We kissed, I received OW and then went down on her (she gets soooo wet, I was happy to stay there for awhile). We then continued with so more OW before Jo got on top (I was being lazy) and in a reverse-cowgirl gave me a wonderful view of her ass.

Having had a drink and a long day I was struggling to cum, so she gripped my cock and wanked me before and I lay on her back and I came over her.

After a clean up, we chatted some more. Then it was about time, so I showered again and then headed off with a kiss and one happy boy.

Thanks Jo. See you soon.
