The Premises:

See my previous reports on other ladies here. Its easy to get to from Warwick Avenue, although you can find parking spaces on the road if you choose to drive. Discreet premises, easy to find with good directions from HoD.

The Lady:

As usual with HOD girls, both the description and photos are accurate. Honey is gorgeous with a lovely smile.

The Story:

There are two rooms at this establishment, I was taken to the back room for the first time. Got into the room then a minute later Honey bounced in giving me a big kiss with those big red lips of hers. Paperwork sorted and fun begins. Honey is very vocal which I love. A great PSE experience from the moment her lips touched my cock to the moment that my lips touched her pussy as she straddled my face. An amazing experience which left me on cloud 9. We finished a little early but rather than usher me out the door Honey and I chatted for ages about this and that whilst we lay on the bed together. She is a fantastic lady, beauty, brains and personality, I will definitely be back, oh and i was supposed to go shopping for new work shoes after this. It didn't happen I couldn't get Honey out of my mind.
