The Premises:

I met the lady at her home address in Wellingborough The house was very clean with very stylish Decor .

Crystal met me at the door in white stocking and matching bra & knickers

The Lady:

Crystal is a very good looking coloured lady .

Her skin shines with a light coating of oil and the fragrance is like nectar .

She stands at 5 ft 7 with a pair of breasts that are all natural. FF

She has the hour glass figure of a twenty year old

The Story:

She met me at the door wearing white stocking and suspenders with matching bra and knickers. I was that impressed that I forgot to close the door. Following her up the stairs was very erotic.

On entering the bedroom I felt excited and nervous being has this was my first time with an escort, she told me to relax and take some photos of her in very sexy positions I immediately felt relaxed and ready.

She asked me to give her a massage . She then returned the favour doing a lot better job of it than me.

She then got out her magic wand sex toy , by this time I was so excited I just wanted her .

The completion was very satisfying and left me feeling relaxed and happy.
