The Premises:

My usual haunt in Burton. Modern clean ground-floor flat near Tesco. Warm welcome and squeeze from Receptionist as usual.

The Lady:

Jenny is a tall Chinese lady probably in her mid-thirties. She has a great slim body and attractive face. Modest tattoo of a horse on her left shoulder. Firm tits and trimmed pubis. She speaks pretty reasonable English.

The Story:

Warm closed mouth kisses and after undressing explored each others bodies. She got me hard but before things started to develop she suggested a massage. Nice back massage before turning over for her to rub her naked body over me and kiss my chest and legs. I asked for OWO and after a quick wipe she took me in her mouth for some great head. I asked if I could stand whilst she knelt in front of me to continue OWO and I promised not to CIM. Sex in doggy and mish to finish as I sucked her ripe nipples. Cleaned up and used remainder of our time for more back massage and chat. Another great punt from a Chinese lady.
