The Premises:

The premises are shabby and run down. Filthy in places.

Only one of the two showers worked and it leaked.

Adequate street parking.

Seen better days!

The Lady:

Vickie is blonde, large breasted and voluptuous. She does not kiss but has skills to more than adequately make up for that. She is Greek and speaks excellent English and gives an excellent hard massage too.

The Story:

Whilst the experience with Vickie was great and well worth the money and time spent, the premises lets down the whole experience. The Sauna madame present on a Thursday rushes the girls and to be frank, the money spent (fee to the girl plus a £20 fee to enter) is better spent on many other establishments.
