### The Premises:

Her place is right beside Liverpool street station. So very convenient for me as I work in Liverpool street. Her premises was very warm and welcoming, very neat and tidy and felt like home

### The Lady:

When I first came to the website I was worried that Piano might not be like the girl in the pictures. I decided to take the risk and this was defo a risk worth taking. Piano was even better looking in person. She was wearing a sexy number of stocking and lingerie when she opened the door, with a big Thai smile that made me get really hard. Gorgeous body a proper looker

### The Story:

She was a gorgeous little thing, a nice pert little arse, and gorgeous silky smooth tanned skin, I was rock hard from the moment I seen her, that feeling of butterflies jumping around in my belly. I knew I was gonna get laid good. She unzipped me and starting blowing away on me, and with that I tore of her clothes and plunged into her little box, both of us screaming it was great. Unfortunatley i didnt last long, and lucky for me 20 mins later after a little cuddle we were at it again.

This lady I would highly recommend, I am bunking of work next week early, and going again.
