The Premises:

This location is a flat opposite a pub in a street adjacent to Union Street. It is about a six minute walk from London Bridge station.
There is a shower facility inside.

The Lady:

Zara is a brown skinned, Latino girl with a lovely booty and pert b cup boobs. Her English isn't that good, but she is very friendly.

The Story:

The session commenced with covered oral during which Zara deep throated me. This was followed by sex in two positions, missionary and doggy. I was actually a bit tired, jet lagged, so I finished by coming over her lovely Latino bum.

This flat is shared by other Latino girls and they advertise themselves as part Indian, but that isn't true.
