### The Story:

she was warm and welcoming from the start great English

it has been a long time for me visiting escorts and she made me feel very welcome

great body not slim but very horny with enough to get hold of to make it fun

round one was a blow job no condom come over her face and tits

round two was me eating pussy and fingering her

before on with the mac and a really great time banging into her

really can take it hard and deep

loved it
