The Premises:

A large, tidy and elegant flat in a modern apartment block in Sheldon Square, just a few minutes' walk from Paddington Station. It's located in an upmarket, bustling area with restaurants, fountains and towering office blocks all around. There's also a posh hotel nearby (Novotel Paddington).

Lena's flat is large and tidy, consisting of several rooms, an en-suite bathroom and a small kitchen. As she shares the flat with her sidekick Amanda, my movement was restricted to the bathroom and a spacious living room where everything that occurred later took place. Scented candles and upbeat music playing softly in the background were a nice touch and set the atmosphere nicely. There is a large bed in the room with a number of soft pillows, as well as a sofa. All in all, the quality of the venue was not dissimilar to that of a 4-star hotel where I spent my holidays two years ago. My only complaint was that the lift was out of order which gave me a bit of a headache, as Lena's flat is located, let's say, well above the ground.

The Lady:

A young (mid twenties, I would say), slim and fairly tall Polish girl. The pictures give a pretty good idea of what to expect, although she has a small piercing to the side of her lips which is not visible in the pictures. You shouldn't be left wondering who's standing in front of you once she opens the door.

She has nice B cup breasts, no tattoos and long blonde hair (extensions, I believe). Down below, she's shaved and well maintained. Overall, a quite attractive young woman.

Lena's a sweet, very nice girl focused on giving you her best. She seems to genuinely enjoy her job which is a big plus for me.

Her English isn't great but she can usually get her point across and is pleasant to talk to so it's easy to build a rapport with her.

The Story:

Once inside the flat, I was ushered into the living room, shown the bathroom (I asked for it) and

offered a drink. The girls' fridge is well stocked so if your throat's feeling dry, you will have a good range of drinks to choose from. I wasn't thirsty so I politely declined her offer and sorted out the paperwork.

Lena had a drink herself (some alcoholic beverage to help her relax) and soon, we sat down side by side on the sofa. After a brief chat, she pulled me closer and we started kissing. It wasn't long before this turned into full-on DFK, with me rubbing her already-wet pussy as we were making out. This went on for a while and was great. After feeling that I was rock-hard already, she dropped to her knees and proceeded to give me exquisite oral while I was still sitting on the sofa. It began with really good ball licking/sucking, followed by running her tongue up and down my shaft and eventually, she got to work on the head. She gave me a sloppy, vigorous BBBJ, using her hand quite a bit as she did so. I let her carry on like this for about 10 minutes as I was really enjoying the attention she was giving to my dick.

After that lovely session of OWO, I decided to return the favour so we moved on to the bed. I had her lie on her back, removed her knickers and started exploring her body. Having warmed her up a bit (het snatch was dripping wet), a lengthy session of RO ensued. This was the highlight of the evening for me as Lena really enjoys RO and giving it is a favourite of mine, too. I kissed, licked and sucked on her vulva, labia and clit for a long time. I don't know how long I spent down there with my head buried between her legs, but after I was done and glanced at the clock, I realized we were 45 minutes into the meeting already! It was time to move on to the main event.

Having returned to the room after having to find a rubber that would fit my 'apparatus', Lena mounted me and before long, she was sliding up and down my dick with great energy and enthusiasm. She has impressive stamina as she was able to keep going on like this continuously for several minutes, varying the pace and depth of penetration to maximize her pleasure. When she was out of breath, we switched to missionary. Unfortunately, this is where things went wrong as, to my surprise, I found that my dick had gone flaccid. I still don't know what happened but I was unable to get hard again, and we were out of time anyway. Unfortunately, Lena seemed disappointed with herself after this and looked rather sad as I was getting ready to leave. Whatever the reason, it certainly wasn't Lena's fault as this has happened to me a few times before.

Hopefully, we can put things right when we meet again. That's right, if Lena is still around the next time I feel like having a punt, I will see her again. She gives a first-class GFE service and really enjoys her job. I can recommend her to anyone looking for a good GFE.
