### The Premises:

Nice tidy room in a flat.  
easy safe parking just a few feet away.

### The Lady:

Good looking Thai woman.  
nice tight full bodied with great sense of fun.

Unhurried start with cup of tea to give time to get to know her.  
Again tea offers at the end so there is no clock watching here.

### The Story:

I ask to get the first of the sex over before a massage.  
Due to my age getting a second erection is not guaranteed.  
My word was it worth it this woman knows her stuff.

After a quick cuddle she gave a great massage.  
until we went for the second go.  
I have never had a hand-job like it so slow she built me up to the most fantastic release.  
Keeping quiet was not an option.

Will I go back you bet I will
