### The Premises:

First impressions really count and everything about GFE was clean and tidy. The atmosphere was very friendly and relaxed with a discrete entrance at the rear.

### The Lady:

Sophie and not Sophia as reported on the Web Site has the most amazing toned body with long blonde hair.

### The Story:

In the room she offered me a shower. We started with a relaxing massage with lots of stroking and caressing, she is very professional at massage and I'm sure she must have done some training. This led to OWO and the view from the mirrored ceiling was amazing, lots of tender kisses. I wanted to feel that amazing toned body closer, which led to frantic cowgirl, which she seemed to like. I asked her what her favourite position was, so ended up with doggie, until I came. An amazing and exhausting half an hour of pleasure, had to use the shower again to cool down. Sophie is a great addition to the GFE team and I definitely want to see her again.
