The Premises:

Small basement flat in Knightsbridge, just 2 minutes from Harrods. The road was surprisingly quiet and felt very safe. The flat was clean, and although I didn't need a shower, the shower room looked clean.

The Lady:

Xin Xin has a wow factor. She's a Chinese/Malay lady in her late 30s or early 40s. She looks young to me, but then I'm 65. Her photos are pretty accurate, but she is much better in the flesh – and what flesh! She has a beautiful smile, D cup boobs with enormous nipples, a nice shaved and trim pussy, with a very responsive clitoris, and a lovely smooth skin.

The Story:

I'm a fan of ladies from the east, and after trawling the reports on here I kept coming back to Xin Xin. I rang her, and she was able to see me at a couple of hours' notice. I hadn't specified any particular costumes but she answered the door in a very short top and black stockings. As soon as she closed the door, she gave me what can only be described as a really good snog. I was taken back to my teens, and although my knees didn't tremble (they just creak these days) my cock realised something special was going to happen, and started to prepare itself for a feast.

I paused for breath, sorted out the consultation fee, and we then got down to the action. We undressed each other while still standing and Xin Xin then went down to her knees and took the full length of my cock into her mouth. I wanted to make things last so after a couple of minutes of this I asked her to stop, and we lay on the bed together.

I like cuddling and kissing, and Xin Xin is a fantastic kisser. We carried on with this for a few minutes. I was feeling peckish so I nibbled at her nipples (amazingly erect and responsive) and then worked my way down to her pussy. This was very wet, and her clitoris soon became swollen.

I was now ready for some fucking, so on went the condom. Xin Xin rode me for a few minutes, but I really have problems coming off while fucking these days, so it had to be an uncovered blow job for me. After some very enthusiastic licking and sucking I shot my load into her mouth. No swallowing, but by then I was too happy to be bothered about such minor things.

We then kissed and cuddled again. This really was a Girl Friend Experience. We talked for a while and then it was time for me to go. Xin Xin persuaded me to see her again the following day. I'd become addicted, and even though I only saw her for 30 minutes the second time, this was even better.

I'd asked her to answer the door wearing just a black bra and very skimpy thong. The only way I

can describe the vision that greeted me was “sex on legs”.

The blow job this time was even better, and she kept on and on after I'd come in her mouth. She literally sucked me dry.

It's easy to forget that Xin Xin is a professional lady, and at the rates she charges she needs a few hours with customers each day to pay her rent and make a living. She told me she does get messed about by punters booking a time and then not turning up. If you're not going to turn up, just give her a call and let her know. Otherwise you'll be depriving someone else of a wonderful time. It might be me, and it probably will be me.
