The Story:

I have used Divines for a several months in London as they are exceptional value for a half hour inclusive service. We had a few problems coordinating diaries and the receptionist was incredibly helpful in resolving these and even providing a discount for the trouble I had gone to.

I was excited to see Bella, as her photos looked incredible and she was definitely my kind of girl – slim, great legs and dark. I wasn't disappointed when I met her. Following a shower we kissed passionately, had an intimate session of mutual pleasure and a fantastic way to end a stressful day.

Will definitely return.
