The Premises:

Discreet, comfortable, clean, tidy. All you could want.

The Lady:

An absolutely beautiful brunette with a body that is simply built for sex.

She a cheeky smile and clear blue eyes too. She's a real looker.

She's intelligent too.

No reasonable request gets turned down.

She will tell you off if you go too far - this one is no wallflower! She is really good fun and a fantastic companion.

If you like brainy brunettes with a lot of character she's for you.

The Story:

This is my first review but far from my first experience.

I've found my favourite working girl.

Beautiful, f***s hard, gives a great BJ and is also great to have a chat with.

I'd met her before at a Lady Marmalade Party. She said she worked an Annabellas. Been there a few times. Trust me fellas, those pictures don't do her any justice. She is FIT.

Having seen her before I can tell you those pictures are her - but those pictures are nothing compared to the reality.

I'll defo be back.

Thanks for being so much fun.
