The Premises:

Typical escort-style flat in Earl's Court, but the place was clean and tidy which makes a nice change.

The Lady:

Beautiful lady very well made-up and presented. Great eyes and tight body. Better than her photos, which are way too Photoshopped. She actually looks quite natural. She is a typical down-to-earth Aussie girl.

The Story:

Once the paperwork was out of the way, she kissed me (slurpy tongues) and then I stripped off and got on the bed. She got down to her undies and joined me on the bed, giving me some great OWO, then on with the condom and she took off her undies, got astride, rode me in cowgirl then me on top, and finished from behind. She loved to kiss and make eye contact which is always good. Didn't ask about other services like OWO or anal so can't comment on that, but she is well versed in the classics, and didn't waste time checking her phone or the clock.

Probably wouldn't go back as she is a bit outside my usual budget, but if I was richer or she lowered her prices, I definitely would be a regular.

If you have plenty of cash and like girls who are beautiful, open-minded and speak English as a mother tongue, she is a keeper.
