The Premises:

Small but cosy flat in a safe area about 10 minutes or so from Waterloo station.

The Lady:

Gorgeous ginger British lady with bright blue eyes and a slim and gym-toned body with alabaster skin and large and beautifully shaped breasts. Nice with clothes on, and a sight to behold with them off.

The Story:

Met the door with this lovely vision of gingeriness and was instantly taken by her friendly manner and welcoming smile. Got the paperwork out of the way first and then onto an hour of pure pleasure with deep full kissing with tongues, sex in all positions and finished with CIM which Verity gratefully swallowed down.

The best thing was watching her incredible toned and pale frame bouncing up and down on me in cowgirl. Her breasts are really special and I could have stayed in that position all day.

Nice intelligent girl and no clock watcher.

Expensive but will probably see her again, possibly in a duo with the other agency girl Yasmin, who Verity tells me she often works with.
