The Premises:

Fantastic shag palace in South London. Mirrors everywhere.

The Lady:

Very pretty lady who is 40 but looks a lot younger. Well-spoken and seductive personality. Classy. One of a kind.

The Story:

Went for 2 hour porn star experience (she has two-tiered pricing for GFE and PSE). Pricey but as you can do pretty much everything with a gorgeous British lady, then it is also good VFM.

I normally try to get financial formalities over as quickly as possible, but Amica seduced me as soon as I was in the door, and that set the tone for the rest of the meeting. Deep anal rimming, sex in all positions (she is very flexible) and hard anal with CIM. She even managed to get me going for a second round. And all done with a sweet and almost romantic manner, with full eye contact and deep full kissing.

Yes I will see her again, she is unique.
