The Story:

Lexi is very professional and a great fuck. Started with a cursory massage, wonderful soft hands, then was asked if I wanted to lick her pussy - of course I did - and she has one of the best pussies I have ever had the pleasure to perform oral on. She got very wet and was very responsive to my attentions. After she asked if I wanted oral (offered OWO and I opted for OW) which was very good, not too fast and not too slow with excellent hand action. I then fucked her from behind (no extra lubrication needed). Afterwards she cleaned up and got dressed fairly quickly while chatting.

Next time I see Lexi I would pay for 30 minutes but know I was guaranteed a good fuck.
