The Premises:

As described, Brooklyns is the classiest parlour outside of only one other in Manchester. Two entries, nice waiting area, offered drinks on arrival. Great receptionists in Sue and Donna, and a line up of the sexiest and most gorgeous girls bar none

The Lady:

Krystal is just gorgeous, beautiful face, pretty features, cracking figure and an ass to die for. So you're guessing I found her attractive?....yeah!!!! She pushed all my buttons and more.

The Story:

The girls in Brooklyns are very accommodating, as per my previous reviews over the last year, very knowledgeable in what guys want and why. Krystal is no exception, lovely manner, as sexy as and delivered my own particular needs in the most horny and desirable fashion, to say I was over the moon is an understatement. Krystal stripped off almost immediately and went straight into some fabulous OWO, after asking of course, gobbled him all the way down whilst looking into my eyes, wow. Lots of chatting about what I wanted to do and how, nothing was too much trouble and Krystal executed what I wanted perfectly, thought I'd died and gone to heaven. As you can see my handle lets you into one of my must do's and licking my own come off her tits was a blissful thing to do to end off the perfect punt, thank you Krystal, thank you Sue and Brooklyns. I will be back, promises, promises!
