The Story:

Rosie had been on my "must see list" for a while, and at last the stars aligned - she was available while on a day when I was in London. And chaps, I have to ask myself why on earth I waited so long to see her. She's simply gorgeous. Fantastic body, lovely smile, great attitude, and an energetic and enthusiastic jogger in both the horizontal and vertical dimensions. And when time eventually permits and mouths are not otherwise engaged, she's an engaging conversationalist and I hope that in return I proved to be a sufficiently cunning linguist. What's not to like?
