The Lady:

Pictures and profile are accurate.

I found Alix very easy to talk to. She's very friendly and down to earth. An excellent GFE!

The Story:

I arranged the meeting the day before. Spoke to her over the phone briefly before the appointment was confirmed. I like the way she's handling her booking personally and tried to learn as much as possible about who she's going to meet, which was very professional to me. I prefer speaking to the lady directly rather than some agent I must say.

I arrived almost on time on the day of the booking. She's gorgeous. I like everything about her, especially her beautiful smile. Her place is very clean and tidy.

I took a quick shower. Talked to her a bit more before we were hugging each other and moving on to a very intimate GFE, which I enjoyed very much. I have never met anyone quite like her. She's very experienced and knows what she's doing. I love her kisses, the way she touches me, and the very intimate, sensual love making with her. She's very clean and smells lovely.

I was actually a little bit shy in her presence -- that doesn't happen very often. Alix is a rare find in Sheffield. A great kisser, lover and girlfriend material. I will be coming back for more.
