The Premises:

Met at a house which Bella stays in when she is in London

The Lady:

A slim mature Hungarian lady with brown hair, long legs, nice breasts. Around 40yrs.

The Story:

I find Hungarian girls are not keen on field reports, so won't go into too much detail.

Bella dressed as requested in stockings. We started off with some cuddling, kissing licking then mish.

Bella's English is not great but we got by and the main thing is she knows what to do to please a guy.

During the recovery period she took the initiative to climb on top and rub herself against me, which soon had me firm, then she gave a great deep throat BJ which got me rock hard for the main event, a good session of anal.

I left happy and given that Bella's place is easy to get to by tube I should be seeing her again for another very good value for money experience.
