The Premises:

We met at the flat Saffi uses to entertain gentlemen. It is clean and tidy in a good safe residential area near a station but with plenty parking nearby

The Lady:

Saffi is an attractive mature lady in her forties. She has long dark hair. Lovely breasts with large responsive nipples.

The Story:

I had first met Saffi at a party a few years ago and had longed to see her again but circumstances did not permit till last Friday.

Saffi met me at the door in negligée below which was a basque and sheer stockings held up by a 12 strap suspender belt, a lovely sight to behold and more than I had expected.

After some kissing and cuddling and sucking and licking, Saffi lubed up, and lay back so I could enjoy a good session of anal mish.

After some recovery time and chat about what we both get up to, Saffi slipped in a butt plug and then climbed up on top for some cow girl, there was a reasonable view in the large mirror behind her, but I wanted to see more so we changed positions and I finished off with some vigorous doggy with a lovely view of the plug still in position.

Saffi is a very sexy Sassy lady, I had a great time and hope to see her again.
