### The Lady:

Carmen is about 5'4" with black hair which she kept tied up thru out our meeting. She has high cheekbones which gives her face a sideways oval look. She has captivating eyes. She was wearing a tight grey one piece which accentuated her fabulous figure. The video on the agency website gives a very good approximation of her

### The Story:

Proceedings began with an assisted shower. Her shower cubicle is small and therefore ideal for close contact between us. However, the couple of minutes spent in the cubicle was purely for cleansing purposes, but she did give my cock a playful tug at the end

Back in the bedroom Carmen invited me to lie on the bed and she stood by my feet, then she climbed onto the bed and crawled up over me. She let her heavy breasts sweep over me. Then she gave me OWO. She did it slow and purposeful and this went on for a couple of minutes before I felt the sap starting to rise. So I sat up, and lifted her head off of my cock and kissed her on the lips, just to give my cock some respite. I then lay back and Carmen recommenced the wonderful BJ. After a while I retrieved a condom and handed it to Carmen. She unwrapped it and applied it to my cock. Once sheathed I suggested mish. So Carmen lay on her back in the middle of the bed. She applied a bit of lube to herself and then I climbed on. She guided me in with both hands and we commenced shagging. She made soft moaning noises and I thrust gently. I lowered my head and kissed her on her lips and then increased the rate of thrusting. She kissed me on the left side of my chest. After about 5mins of fucking, I came serenely.

I had a rewarding time with Carmen, but 30mins is not enough time for me to savour the full delights which she has to offer. I would like to see her again, but for a full hour next time. But I better be quick ..... she told me that she leaves these shores in a couple of months!
