The Premises:

Flat is on a quiet street running parallel to Queensway, which has a lot of B&Bs and hotels. At that time of day on a Saturday afternoon, really safe and discreet. In fact, I'd actually been to this house before, when I visited another girl who works from it (in another flat) earlier in the year. Very easy to find, easily accessible by numerous bus and tube routes. Great central location.

The Lady:

Dolly is a lovely little lady. She's very small and slender, not really my preferred body type, so I was a little disappointed when she opened the door. Also, to my eye, she doesn't look like her photos on the Invasian site. She's pretty, and very Thai looking, with dark eyes and jet black hair - unlike the pictures, where she looks almost Eurasian. Having looked at the photos again afterwards though, they are definitely her. She just looks different in person. I think she looks quite similar facially, and physically, to Cindy. She has large enhanced, but well done, breasts. She speaks English reasonably well and became quite chatty as the time passed.

The Story:

To my surprise this turned out to be a delightful and enjoyable encounter. Dolly is so sweet and cute, she is enchanting and charming, she won me over and we had great sexy fun. We had a particularly memorable shower! There was much erotic body-to-body contact and soapy sliding and twerking, as my cock gently massaged every millimetre of her tiny little ass, and the soft, warm water and soapy suds cascaded down our bodies.

Back in the bedroom, after some light kissing and more erotic writhing and sliding, I sat on the edge of the bed and she straddled me, with her feet curled around behind me, and she rode me for all she was worth. I was clasping her little hips and caressing her nice breasts and holding on for dear life! Eventually she rode me to a sweaty, gasping climax. Fantastic! Afterwards we curled up together on the bed and she had a glass of wine while I relaxed with my beer and she chatted heartily. Very nice.

Dolly is a sweet little woman. She's playful, saucy, cheeky, a little shy, and I had a good time with her. She's so slim and petite, she has a kind of vulnerable and fragile/delicate vibe about her (sort of

like Ava/Karen) that make you want to put your arms around her and hold her and protect her.
