The Story:

On arriving at lucys apartment I was immediately put at ease by her and once the money side had been sorted we started kissing and touching eachother then Lucy gave oral , after a while it was on with the condom , we changed position several times , Lucy is a stunning girl with a fabulous body that she can use very well , then off came the condom and Lucy finished me in her mouth she is excellent at this , she really wanted me to enjoy it , and I did .you will not be disappointed if you pay Lucy a call , I will certainly be going back
