The Premises:

The place in South Kensington has been well described and has not changed over the 3 or 4 years that I have visited. Needless to say, anonymous and luxurious.

The Lady:

A beautiful, voluptuous blond with a winning smile. Curves in all the right places. The photos on the website do not lie.

The Story:

I was let in promptly and given a choice of either of the two rooms. After a couple of minutes I was joined by Adele. I took up the offer of a shower and on my return was joined by Adele and we quickly started with standing DFK along with a good fondling by both. We broke to retire to the bed. Excellent deepthroat followed, then 69 before slowing down for some more DFK. We followed this with Adele leading me to fisting her - a new, amazing experience for me. After she had orgasmed noisily, it was on with the condom and some cowgirl followed by anal. I could not last long. The last 15 minutes was a delightfully friendly post-coital chat. Overall Adele was sexy and a delight to be with. Could not ask for a better combination.
