### The Story:

Date and time I think are correct but cannot guarantee. Faye really made my day. After a stressful day, she was just what I needed. Jumped in the shower before she entered the room, really friendly girl, sorted out the paperwork, Faye stripped off, lay me down and asked what I wanted. Slow with a long build up to come at the end. My balls were bursting and what I thought was an impossible task, to keep me going to the end, all I will say is that this girl is very skilfully and worked me up to one of the best climaxes of my life.

Ended up with me thrusting into her mouth before shooting all over her breasts and face.

Wonderful, definitely recommend
